I'm currently expanding my skill set by learning and developing expertise in both Motion design and UI design, focusing on creating dynamic visuals and user-friendly interfaces.

ACHIEVEMENTS

DESIGNED A WIDE RANGE OF LOGOS
Crafted over 250 logos for clients and brands, contributing to their strong visual presence and brand recognition.

DIGITAL PRODUCTS STORE
Running an online shop, selling digital products - digital brushes and e-books for Procreate users (digital drawing software) generated over 7,000 sales.

BUILDING A STRONG DIGITAL PRESENCE
*I've successfully grown my social media following to over **150k**, showcasing my work and connecting with a broad creative community.*

TEACHING SEMINARS TO STUDENTS
Honored by my art school teachers with the opportunity to teach seminars on branding and logo design, allowing me to share my knowledge and inspire upcoming designers.

Thank You!
